Action 3.5.1_02 – Aid to start-up companies – “Bando a sportello regolamento n. 1407/2013 - de minimis

D.D.G. n 1375/3S del 12/09/2018

Financial Support: € 129.930,75

Prog. 09PA7734000134- CUP G75D18000310007

The proposed project, in accordance with the definition of initial investment, will consist in the creation of a new business consisting in the rental of pleasure boats, able to bring lymph and new prospects to the local and Sicilian production fabric, in fact the proposer intends to position itself in the current reality competitive and globalized market economy by offering integrated services and committing to seek the integration of economic success with social cohesion and environmental protection. The rental can have different forms and durations:

- very short term (daily trips, with or without lunch on board);
- short term (trips from three to seven days)
- medium-long term (rental of one or more months)

Obviously, the service will not be limited to making the boat available to customers, but will provide them with the most complete assistance on board during the journey: food, fuel, sheets, towels, cleaning, tender with outboard engine. The boat, of course, will be insured for civil liability and equipped with all the necessary on-board tools, as well as all safety equipment (in compliance with the national law on navigation. The boat will be equipped with free Wi-Fi It will be possible to organize events through an organized calendar which will be planned for small events or parties on board the boat (in port or at sea, depending on the weather conditions). It will also be possible to organize small shows on board with live music and catering. The project will be carried out respecting the environment and also in compliance with the EVA standard on state aid and contracting, in compliance with the provisions on competition, in accordance with the provisions on cumulation, as well as in compliance with the rules on equal opportunities and non-discrimination.
